

# VEG & HERB PREMIUM PLANTING MIX

Baileys Veg & Herb Premium Planting Mix is a quality growing media designed to produce abundant and healthy plant growth, flowers and fruit. This professional blend of organic ingredients, upfront and controlled release nutrition and premium wetting agent is formulated to nurture seedlings during establishment and ensure a lush harvest.

**TRACE MINERALS**  
NUTRIENT DENSE FOOD

**CONTROLLED RELEASE**  
FEEDS FOR 4 MONTHS

**GROSORB WETTING AGENT**  
WATER DRAINAGE & REWETTABILITY

**CALCIUM & SILICA**  
HEALTHY & DISEASE RESISTANT CROP

## DESIGNED FOR BEST CROP GROWTH

**Fully Composted:** It's stable and won't strip nutrients from your plants to facilitate the breakdown of immature organic material. The composting process also ensures no weed seeds or plant pathogens come with the mix.

**Contains Controlled Release Fertiliser:** Two types of controlled release fertilisers particularly suited to crop production have been added to this mix, featuring the latest in controlled release technology. These nursery grade products ensure the perfect balance of nutrients and release longevity for optimal growth and cropping.

**Contains Trace Minerals:** All plant required minerals are added for healthy growth, nutrient dense food and disease resistance.

**Contains added Silica:** To strengthen plant cell walls, improve pest and disease resistance and crop shelf life.

## AVAILABLE 25L, 1M<sup>3</sup> BULK BAGS & BULK

**Contains Grosorb® Wetting Agent:** To ensure wettability, even moisture penetration and drainage.

**Has optimal air-filled porosity and soil particle size:** Aged, finely sieved pine bark is incorporated into the mix to provide optimal structure and air space for plant establishment. Air is an essential ingredient for plant's roots as they take up oxygen in order to grow.

**Baileys Veg & Herb Premium Planting Mix is manufactured to Australian Standards 3743 For a Premium Grade Potting Mix.**
