**40% SRN  
SOP BASED**

### Application Calendar

(best applied during growing season)

**AVAILABLE 20KG, BULK BAGS + BULK**

### Resilience

Enhances turfs ability to resist disease and handle temperature related stress.

### Strong Roots

Improves root development and encourages strong healthy root systems.

### Enhanced Colour

Promotes a lush, green appearance and a positive visual appeal.

### Recovery

Assists in turf recovery from events or stress through rapid growth, enhanced colour and strengthened roots.

## Application Rates

Contact your Bailey's Representative for further details.

KG/HA	KG ACTUAL N/ha
200kg	30kg
250kg	37.5kg
300kg	45kg

Apply to dry area and irrigate after application.  
If no irrigation, apply when rainfall is evident.

## Sure GreenN Range

- Individually designed for every stage of professional turf management in Western Australia.
- Featuring a combination of readily available and slow release nitrogen technology, the range guarantees superior performance.
