

Brilliance

Brilliance Granulated is a top-tier, phosphate-free compound fertiliser designed for WA conditions. With elevated nitrogen and potassium levels, plus vital trace elements, it fosters robust growth, vibrant color, and new root development. Its high nitrogen, calcium, iron and manganese levels promote rapid green-up, essential for achieving lush, vibrant turf where fast results are imperative.

Minimum Guaranteed Analysis W/W%

N	P	K	S	Ca	Fe	Mn
15	0	7.9	16.7	1.9	2	1.3

Application Calendar

(best applied during growing season)

AVAILABLE 20KG, BULK BAGS + BULK

High potassium

Promotes strong plant cell membranes, root formation, and better stress tolerance, crucial for healthy growth.

Calcium Boost

Enhances overall turf health and improves nutrient uptake, leading to better plant functioning.

Colour Enhancement

Iron and manganese facilitate nitrogen uptake and enhance turf coloration, resulting in lush, dark green turf.

Phosphate Free

Safe for use around rivers and waterways, particularly where eutrophication is a concern.

Application Rates

Contact your Bailey's Representative for further details.

KG/ACTUAL N/HA	KGS/100M ²	KG/HA
30kg	1.9kg per 100m ²	190kg/ha
40kg	2.5kg per 100m ²	250kg/ha
50kg	3.15kg per 100m ²	315kg/ha

Apply to dry area and irrigate after application.
If no irrigation, apply when rainfall is evident.

Uses for Brilliance

- Ideal for sports grounds, golf courses, turf farms, schools, and domestic lawns, Brilliance ensures rapid nutrient replenishment and sustained turf health.
